

## Transportation Request Form 2008-2009

Depending on enrollment and logistics availability, we are planning on having the following routes served by our school buses, Insha-Allah:

- Route 1: Silver Spring
- Route 2: Northern Virginia
- Route 3: Germantown, Gaithersburg

Please note the following regarding school bus transportation:

1. The bus will not be able to pickup from your door. Buses will make stops at several gathering areas on their route. We will attempt to make sure that the stops are selected to offer optimum convenience for students and at the same time not over-burden the school's transportation system.
2. The round-trip cost is \$200/month for the first child, \$100/month for the second child, and \$50/month for the third child and beyond.
3. The one-way-trip cost is \$125/month for the first child, \$65/month for the second child, and \$35/month for the third child and beyond.
