78	Mad Science (Knowledge College) PM Only	12AM - 1PM	7/25 - 7/29	M-F	6 – 11	$190
79	STEM Academy	9:30AM – 3:30PM	7/25 - 7/29	M-F	5 - 11	$195

Arts provided by Art Rembrandts and other providers. Additional art activities may include painting, drawing, sculpting, cartooning, crafts, and games.

Mad Science camps (except for 321 Blast Off) can be taken as half day to combine with Alim Academy camps to make a full day camp, where lunch time is under Alim Academy's supervision. Registration for the Mad Science portion does not automatically register you for the Alim Academy camp. Each must be done separately. See How to Register.

Pre-K Camp Gymnastics is provided by My Gym, and Pre-K Camp Science program is from Big Learning Science and Engineering.

Camp offerings are subject to sufficient enrollment. Space is limited for Before Camp Care.
*Schedule of Arabic after camp classes is based on enrollment.

Registration Information

Early Bird Registration Discount ends on Jan 31 for Mad Science ($20 off full day camps and $10 off half day camps).
Early Bird Registration ends on Feb. 8 for Alim Academy camps ($20 off full day camps and $10 off half day camps).
Late registration fee may apply starting 10 days prior to start of each Alim Academy camp.
Sibling discount available for Alim Academy full day camps ($10 off second child per camp) and STEM Academy camps (10% off for younger sibling or siblings).
Full payment for each camp must be received for registration to be considered complete.
Registration must be complete prior to attending the camps.

How to Register

To register for Alim Academy camps: Visit **www.mymcs.org/camp** Fill out the registration form at the end of this guide. Either email, mail, or drop it off at Alim Academy. Pay by phone, mail, or drop off the payment at Alim Academy. See Camp Location below for address of Alim Academy.
To register for Mad Science camps: Visit www.**dc.madscience.org/alimcamps.aspx** and make sure "Potomac Camp-Alim Academy" is selected for location of camp. Register and pay Mad Science directly.
To register for STEM Academy camps: Visit **www.stemafterschoolacademy.com** then click SUMMER CAMPS, click Register Now, and select ALIM Academy, Potomac for Camp Site. Register and pay STEM Academy directly.

Note: Registration for the Mad Science portion does not automatically register you for the Alim Academy camp. Each must be done separately.
Parent waiver form which includes emergency contact information and medical information must be filled out prior to start of the first camp.

Refund Policy

For Alim Academy and Mad Science Camps:
Refunds may be issued, less a $25 administration fee if you withdraw at least 30 days prior to the start of camp. Any withdraws less than 30 days prior to the start of camp are subject to a $50 administrative fee.
For **Alim Academy camps**, all refund requests must be made in writing to camp@mymcs.org, and must be received before 9:00 AM on the second day of camp.
For **Mad Science camps**, all refund requests must be made in writing to camps@madscienceofdc.com, and must be received before 9:00 AM on the second day of camp.

Mad Science

Mad SCIENCE
Mad Science Summer Camps
At Alim Academy, IEC
Mad Science camps offer a daily combination of in-class discovery and exploration, outdoor games and physical activities, and hands-on applications of the scientific principles presented.
Your child will be able to touch, see, hear, smell and taste what science is really all about.
Choose from the four great topics to the right.
Full-day camps are 9:00- 4:00, $325 per week*
Half-day are your choice of 9:00- 12:00 or 1:00- 4:00, $190 per week*
*321 Blast off is only four days and full-day only, $260
Flight Academy
6/6- 6/10
Calling all pilots! As a Mad Science flight cadet in training, you will discover how airplanes fly.
321 Blast Off
6/20-6/23
This action-packed week will focus solely on rockets and the physics of rocket flight.
Forensic Fundamentals
7/11- 7/15
Mad Science introduces you to the foundations of forensics as you learn about organs, cells, and chemistry!
Knowledge College
7/25- 7/29
Mad Science explores mysteries of earth, space, sports, secret codes, and the animal world.
Register online
dc.madscience.org/alimcamps.aspx

Fees

Half-day camps: $190 per week
Full-day camps: $325 per week

Hours

Half-day camps:
Morning: 9AM-12PM
Afternoon: 1PM-4PM
Full-day camps: 9AM - 4PM

June 6 – June 10 - M-F (5 days) Flight Academy – (Rising 1st through 6th)
Calling all pilots! As a Mad Science flight cadet in training, you will discover how airplanes fly. Test the performance of your airplane in a wind tunnel. Build your own kite, stunt plane and model rocket. Ride the air on a Hovercraft. Discover how hot air balloons, blimps and parachutes work.

June 20 - June 23rd – M-TH (4 days) - 321 Blast Off (Rising 2nd through 6th)
This action-packed week will focus solely on rockets and the physics of rocket flight. After learning the model rocket safety code, campers will build a number of different rockets and participate in the launching, mission control, propulsion and finally recovery of the rockets they build. Campers will be divided into three groups: altitude trackers, launch preparation, and launchers. Every camper will have an opportunity to try all three.

July 11 – July 15 - M-F (5 days) – Forensic Fundamentals (Rising 1st through 6th)
(Formerly Crime Scene and Chemistry)
Mad Science introduces you to the foundations of forensics as you learn about organs, cells, and chemistry! Discover how the science behind life can help you solve a crime. Discover the secrets behind batteries and design marshmallow molecules! Conduct electricity and power a Mad Science whirligig. Experience blood pumping through the heart and air moving through the lungs. Use ooeygooey ingredients to build a model cell & use your own traits to decode & decipher your DNA. Finally, apply what you learn and apply some crime scene skills to solve a sticky crime!

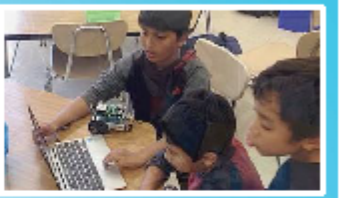
July 25 – July 29 - M-F (5 days) – Knowledge College (Rising 1st through 6th)
Mad Science explores mysteries of earth, space, sport, secret codes, and the animal world. As young astronauts, we will explore the mysteries of the solar system and learn how astronauts live and work in space. Use Morse code, and many more, to send secret messages to your friends. We'll learn the basics about water pollution, acid rain, and the benefits of solar energy. Get in touch with nature by recycling your own garbage you will get to make your very own paper to take home and learning about animal tracks! Discover the relationships between science and sports, including what football players, scientists and ballet dancers have in common.

STEM Academy

STEM AFTERSCHOOL ACADEMY

SUMMER STEM CAMP 2016

Facilitating Excellence in Science, Technology, Engineering and Math



CAMP Offerings @ ALIM Academy

FEATURES

- Build and program autonomous robots
- Build and take home cool electronic Gadgets
- Learn how to solder (4th grade and up)
- Learn basic programming skills (4th grade and up)
- Learn about electronic circuits through hand-on projects
- Computer Aided Design (3-D Modeling) Projects
- Choice of several individual STEM projects to work on and showcase/present to family and friends
- Rewards-Based Academic Enrichment (Math, Reading & Science)
- Fun sports, games and arts and crafts projects
- Team-Based Building Contests and challenges
- STEM Fair and Awards Presentation at the end

WEEKLY ACTIVITIES

- STEM Video Days (Enjoy popcorn while watching a cool STEM video)
- STEM in Theater
- Arcade Basketball tournament games
- Fun days (bounce houses, cotton candy, popsicles, etc.)

DETAILS

Camp Hours:

- Regular Camp: Mon - Fri, 9:30am - 3:30pm

Classes:

- Budding Engineers: Rising K – 1st Graders
- Young Engineers: Rising 2nd – 3rd Graders
- STEM Explorers: Rising 4th- 5th (& older) Graders

Dates:

- June 13 - July 29 2016 (Camp is closed on June 24, week of June 27, July 4 and July 7)

Fees:

- $195/week (includes all materials)
- 10% sibling discount for younger sibling(s)
- You may enroll/pay for the camp bi-weekly
- Payment for 1st 2 weeks due upon registration o Receive 10% off total fees if you enroll/pay for entire camp at one time
- No registration fees

Arts & Games

Arts is provided by Art Rembrandts and other providers. Additional art activities may include painting, drawing, sculpting, cartooning, crafts, and games.

Art Rembrandts

Description of Classes:

Sketch and Friends Underwater (1-4): Underwater exploration comes to life in these cartoon workshops. Follow our four cartoon characters as they explore the deep blue sea. Students draw the cartoon characters in their underwater sea station, draw jokes about life on the job and illustrate other crazy encounters with Sketch and his animal friends. Cartooning techniques like expression, sequencing and scenic development are just a few of the hilarious lessons learned. Each week will be new and different drawings and you do not need to register for all of them to learn the skills!

Sketch and Friends in Space (1-3): Join Young Rembrandts as we travel to the farthest reaches of the galaxy in our Sketch and Friends in Space workshops. Futuristic scenes of other worldly adventures highlight the spectacular drawings our students will produce. We will join our colorful cast of cartoon characters, like Sketch the mouse, Shade the cat and Dave the elephant. Not only will our students learn how to illustrate science fiction-inspired characters and moments, but they will also strengthen their drawing and coloring skills. From astronauts in jetpacks to out-of-this-world alien lifeforms, our students will learn how to compose well-drawn cartoon figures in dynamic poses. Each week will be new and different drawings and you do not need to register for all of them to learn the skills!

Cartooning (1-3): For all kids who need to stay engaged and laughing, our cartooning classes are surely the most fun you can have while learning! This entertaining program combines Young Rembrandts' innovative, hands-on teaching method with light-hearted subject matter that engages children, their sense of humor and their vivid imaginations. Maintaining a quick pace and drawings that tell a story also help kids to stay on-task, learn from their mistakes, find new solutions to a problem and communicate ideas and concepts through pictures - skills with lifetime benefits! Each week will be new and different drawings and you do not need to register for all of them to learn the skills!

Drawing (1-3): Our elementary learners are at the crucial time of development when they decide whether they're good at something or not. This decision will affect not only the rest of their academic career, but their lifetime learning as well. The Young Rembrandts elementary program provides the tools this age-group needs to succeed at drawing - a teaching tool from which the majority of learners prefer and ALL learners benefit! Our program works because it's not only hands-on and visual...it's simply fun. Add to this our innovative guided instruction, topics that kids love and relate to, and instructors that know how to reach this group; we take kids from thinking they're not 'artists' to knowing they can achieve this, and everything else, they put their minds to. Each week will be new and different drawings and you do not need to register for all of them to learn the skills!

Drawing and Cartooning: This class will combine elements of both our Drawing and our Cartooning curriculum and really keep the kids on their toes! These will be new and different drawings than those covered in the individual Drawing and Cartooning sessions.

After Camp Classes

Optional after camp classes are available.

Quran

Quran enrichment per level.

Islamic Studies

Details to be announced.

World Languages

Farsi Language Enrichment

Details to be announced.

Half-Day Camp for Ages 3½, 4, and 5

Weekly: June 6th – July 29th (closed June 24th through July 4th and July 7th)

Fitness Made Fun for Kids by My Gym®

Every day, learn end enjoy beginning sports and pre-gymnastics along with fun fitness games and activities. Equipment and instructor provided by My Gym at the I.E.C. building.

Science and Engineering – by Big Learning Science and Engineering®

Playful, interactive, hands-on science and engineering activities every day. By actively participating in exciting experiments and projects, enjoy exploring the fundamentals of science, engineering. On most days, campers get to take home what they create.

Hours: 9:00AM – 12:00PM, with early drop off option

Typical Daily Schedule:

9:00 AM – 10:00 AM Fitness Made Fun for Kids by My Gym®
10:00 AM – 10:30 AM Snack and Transition
10:30 AM – 11:30 PM Science and Engineering – by Big Learning Science and Engineering®
11:30 AM – 12:00 PM Lunch (not provided)

REGISTRATION FORM – For Alim Academy Summer Camps

Use this form to register for Alim Academy camps only. A separate form must be filled out for each child.

Camper: Last Name: _____ Middle Initial: _____ First Name: _____

Camper Age: _____ Grade (in Fall 2016) _____

For each **camp** that you would like to register, please specify the Camp ID # and the week when the camp will start. Camp ID # for each camp is listed under Schedule and Fees in the Summer Camp Guide.

Camp ID #	Week Starting Date

For each week that you plan to use **Before Care**, specify the starting date of that week.

Week Starting Date

For each week that you plan to use **After Camp Classes**, specify the starting date of that week, and the class you are interested in. Choose one or more of the following subjects: Arabic, Quran/Islamic Studies, and Farsi Fun Enrichment.

After Camp Class (Subjects)	Week Starting Date
